

Wagamons Pond Boat Ramp Temporarily Closing for Reconstruction

The Wagamons Pond boat ramp and parking lot located in Milton will temporarily close beginning Jan. 21 for major reconstruction and expansion. The ramp is anticipated to reopen on May 30, 2021, weather permitting. The nearby public fishing pier and parking lot along the Broadkill River will remain open during construction.

The project will involve total reconstruction of the boat ramp, installation of a new courtesy dock, replacement of a deteriorated bulkhead, repaving of the parking lot and installation of a portable toilet enclosure.

Pond anglers are encouraged to utilize public boat ramps and fishing areas at Millsboro Pond and Ingrams Pond near Millsboro and Haven Lake, Blairs Pond, Griffith Lake and Abbotts Pond near Milford during the closure.

For more information on the Wagamons Pond boat ramp reconstruction project, please call the DNREC Division of Fish and Wildlife Fisheries Section at 302-739-9914.

About DNREC

The Delaware Department of Natural Resources and Environmental Control protects and manages the state's natural resources, protects public health, provides outdoor recreational opportunities and educates Delawareans about the environment. The Division of Fish and Wildlife conserves and manages Delaware's fish and wildlife and their habitats, and provides fishing, hunting, wildlife viewing and boating access on nearly 65,000 acres of public land.
